# 200<sup>+</sup> OPPORTUNITIES TO VOLUNTEER EVERY MONTH

## Save Time

We've done all the work, cultivating a wide range of volunteer opportunities throughout Asheville and Buncombe County. Visit [HANDSONASHEVILLE.ORG](http://HANDSONASHEVILLE.ORG) to search our database instead of calling around town.

## Your Schedule

Whether you're looking for a weekly opportunity or a one-time commitment, we've got you covered. Many projects last less than three hours – and some can even be done from home.

## Your Interests

Do you want to share skills or learn a new one? Would you like to volunteer with friends and family or meet new people? We've made it easy to filter opportunities based on your needs.

## Special Events

We give you the opportunity to celebrate special days, such as Days of Impact and MLK, Jr. Day of Service, with other volunteers. These include projects throughout Buncombe County.
